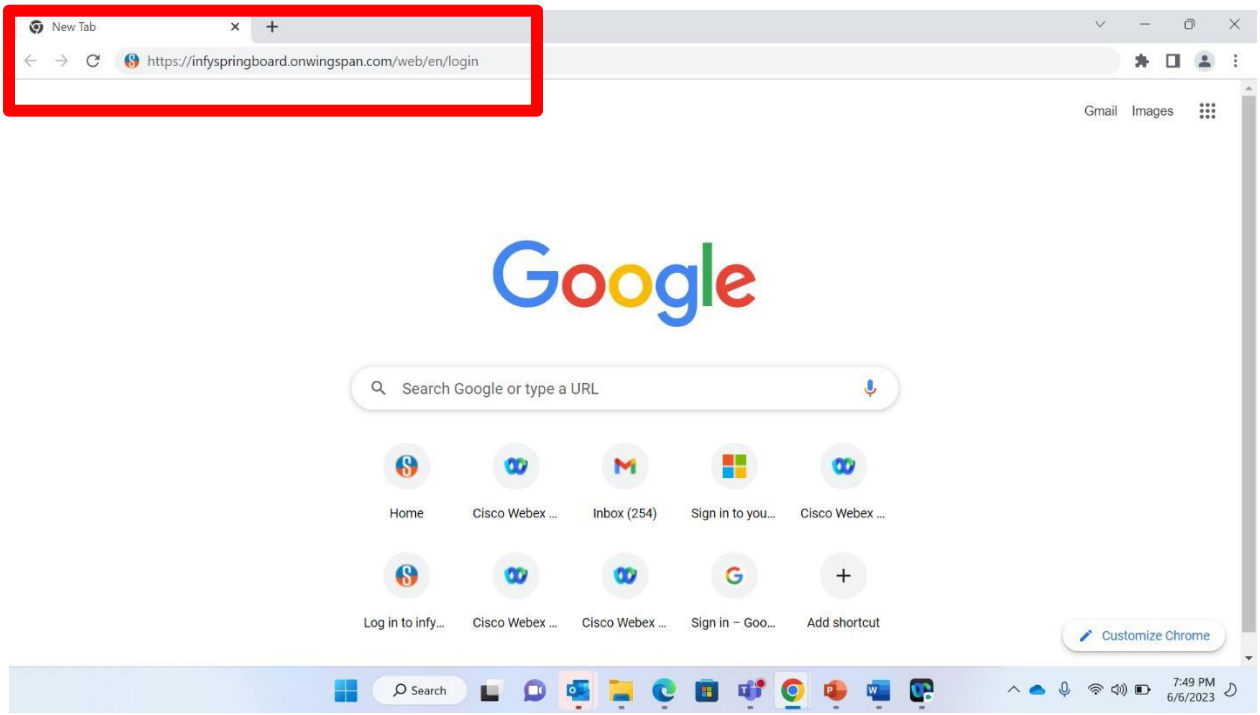
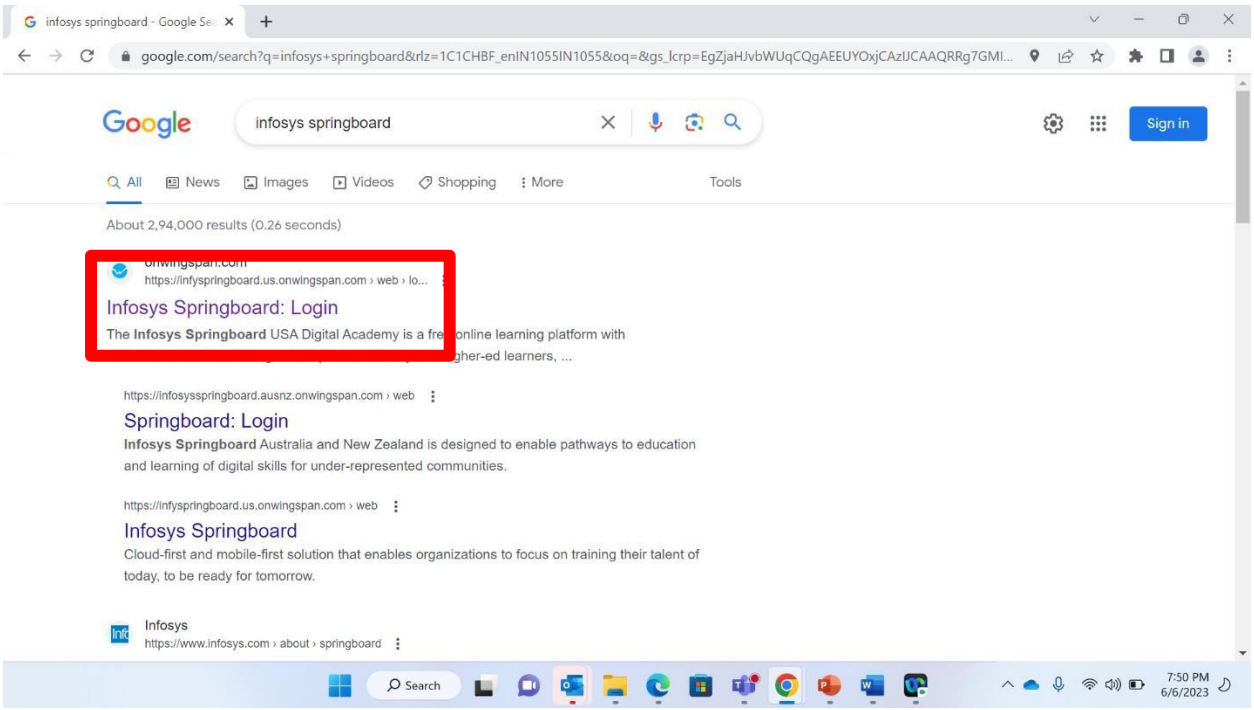
Hello, welcome from Infosys Springboard. If you want to start your journey on Infosys Springboard, please follow the below steps.

Step 1: Type the link https://infyspringboard.onwingspan.com/web/en/login, in your browser

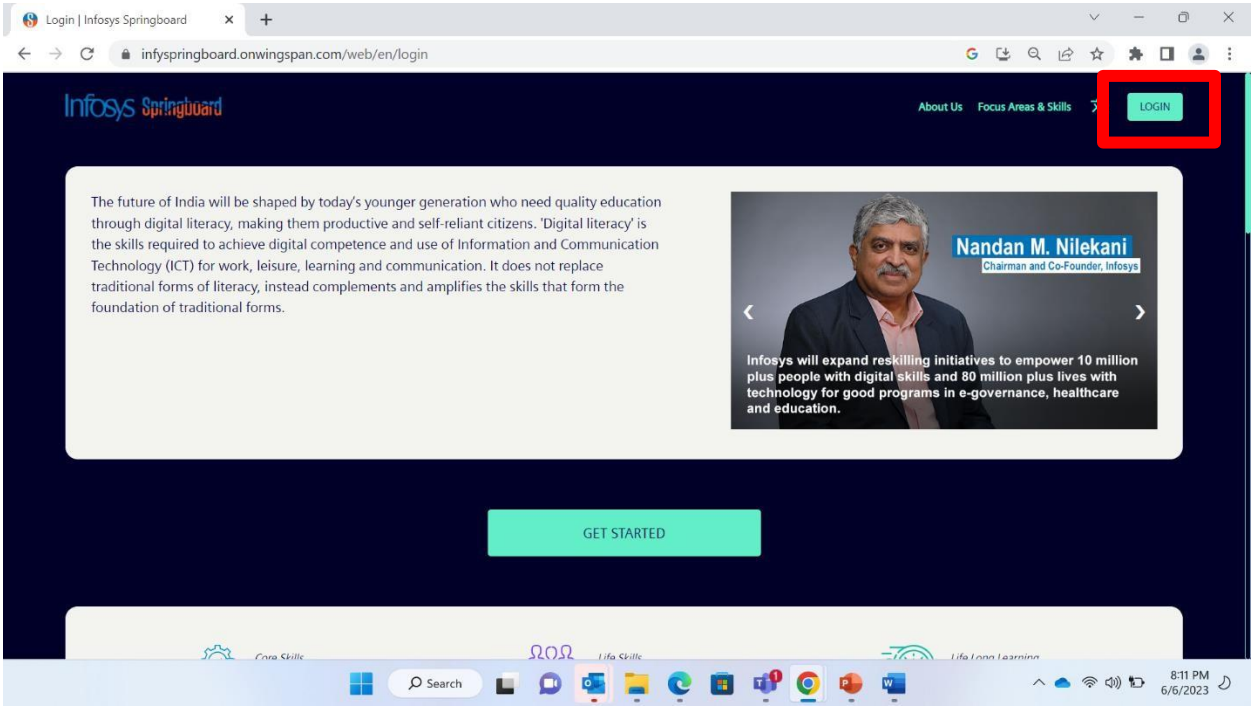


or search for **"Infosys Springboard"** on Google. Click on the first link that appears in the search results.



You will reach the landing page.

Step 2: On the top right corner of the landing page, there is a **"Log In"** button. Click on it, and you will be taken to the login page.

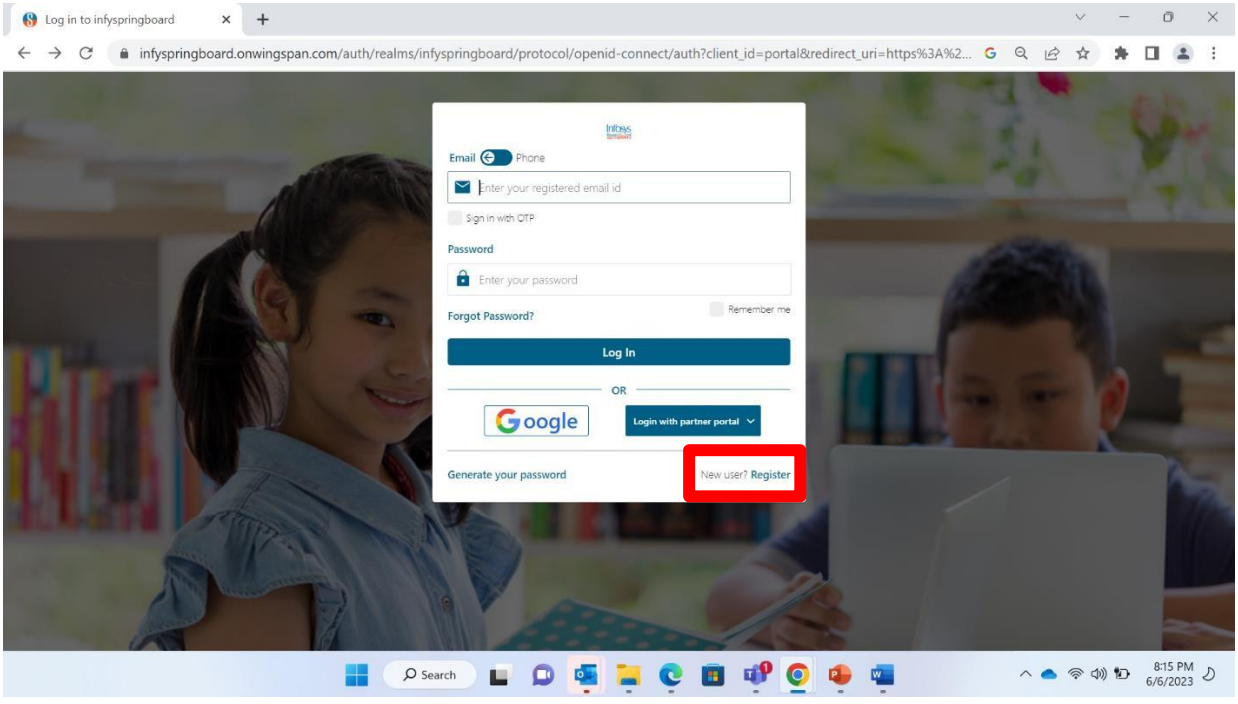


<u>Step 3</u> : You can register yourself on Springboard in 2 ways

[3.1 By clicking on the "**Register"** option on the login page.]

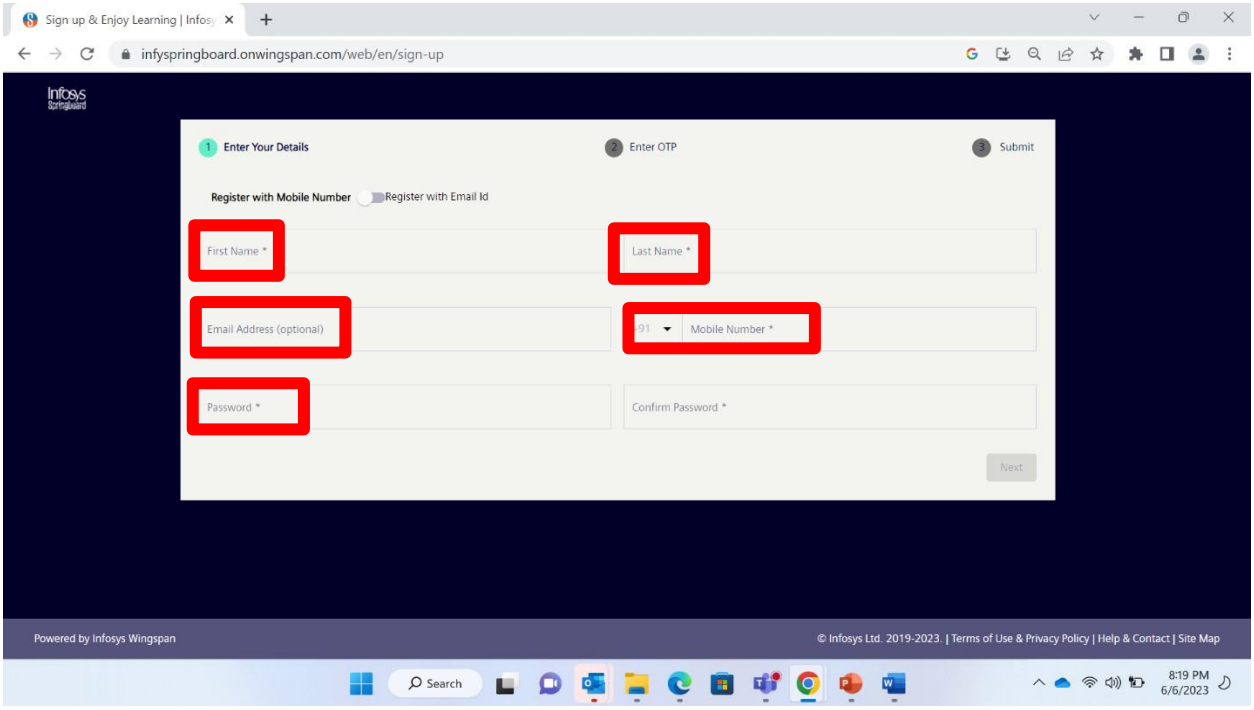
[3.2 Using your google account]

3.1 Click on the "Register" option on the login page.

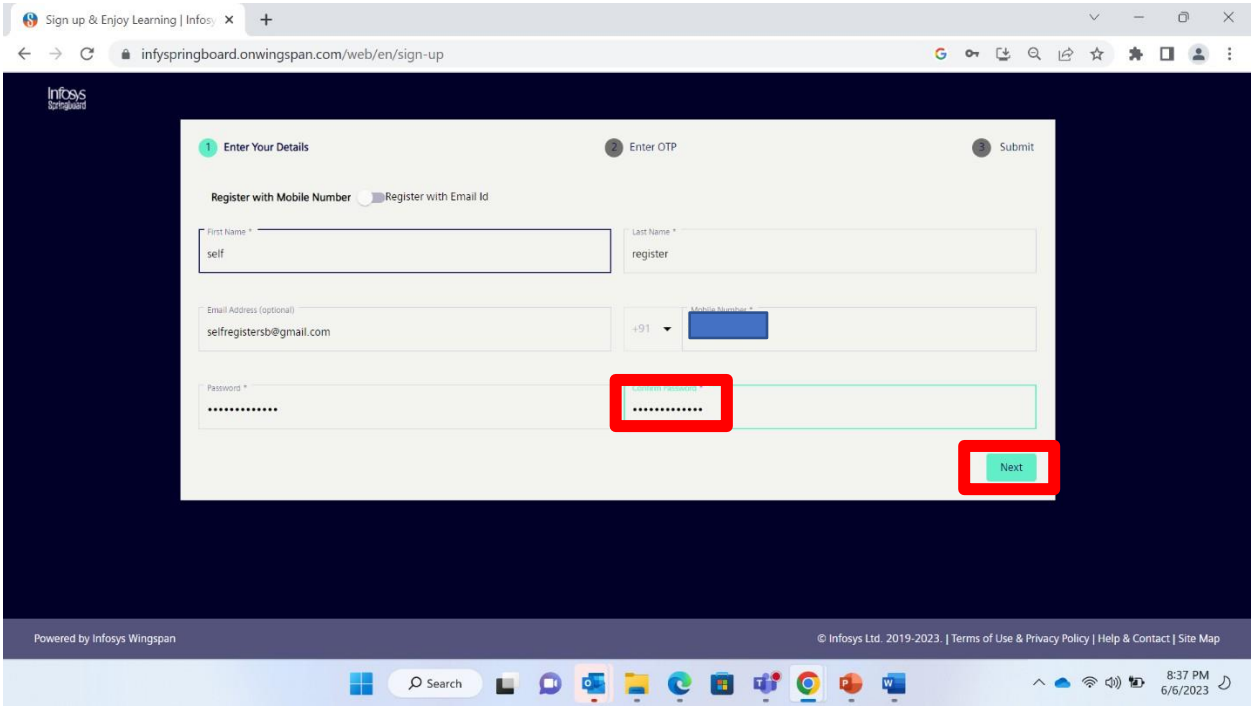


After clicking on Register option , enter your details – name, surname, email id, mobile number and password. (Kindly note correct mobile number as you will recieve OTP on this number for validation)

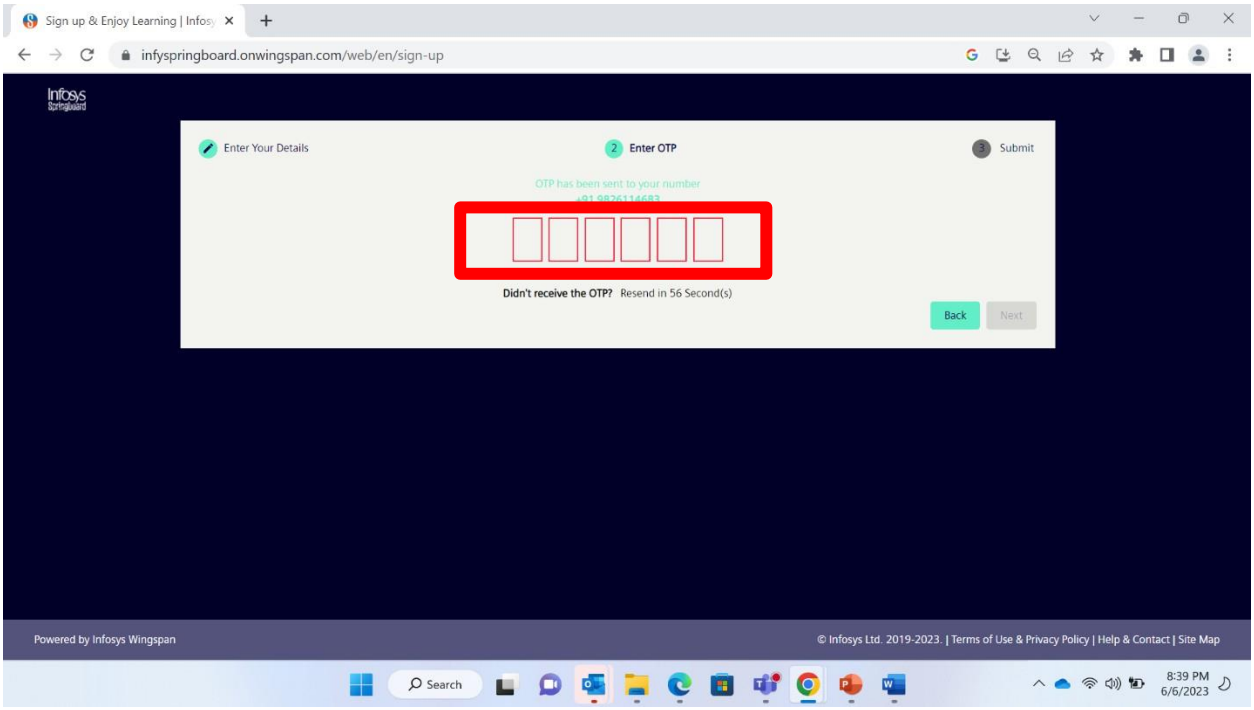
Choose a strong password, means the password which is at least eight characters long, containing at least one number, one capital letter, one small letter, and one special character.



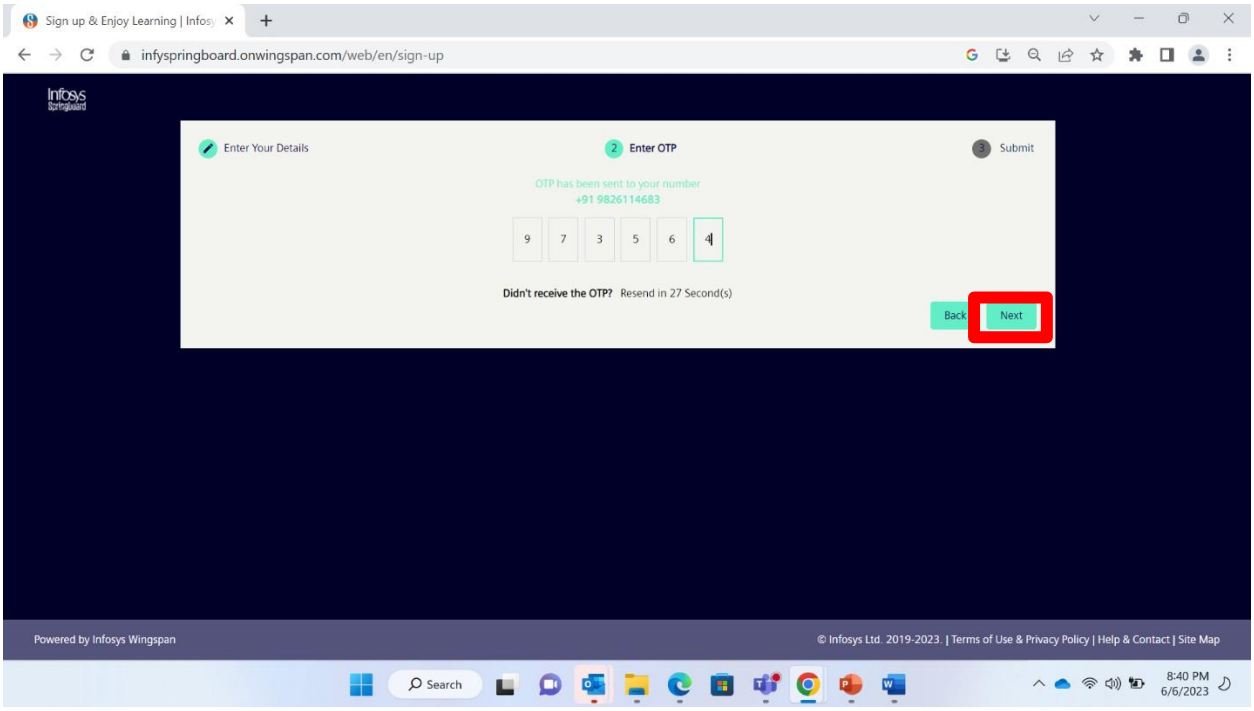
After selecting your password, confirm it, and click on the Next button.



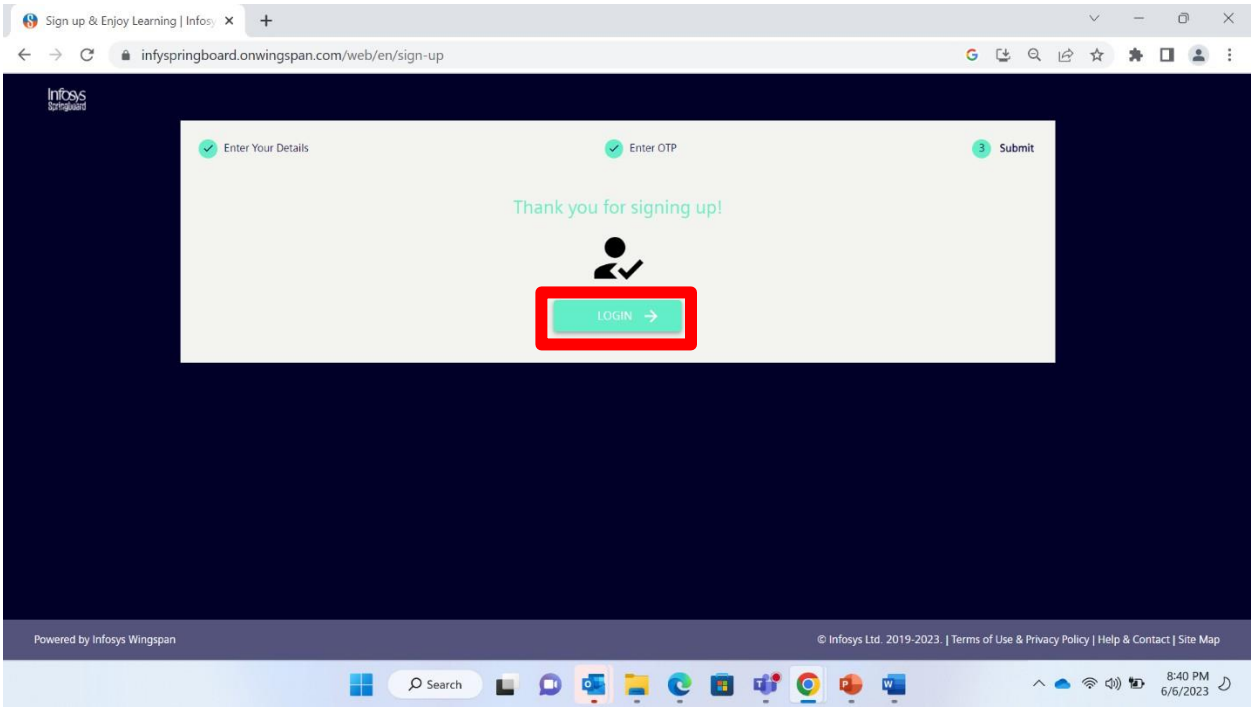
After clicking on Next, you will receive an OTP on given mobile number.



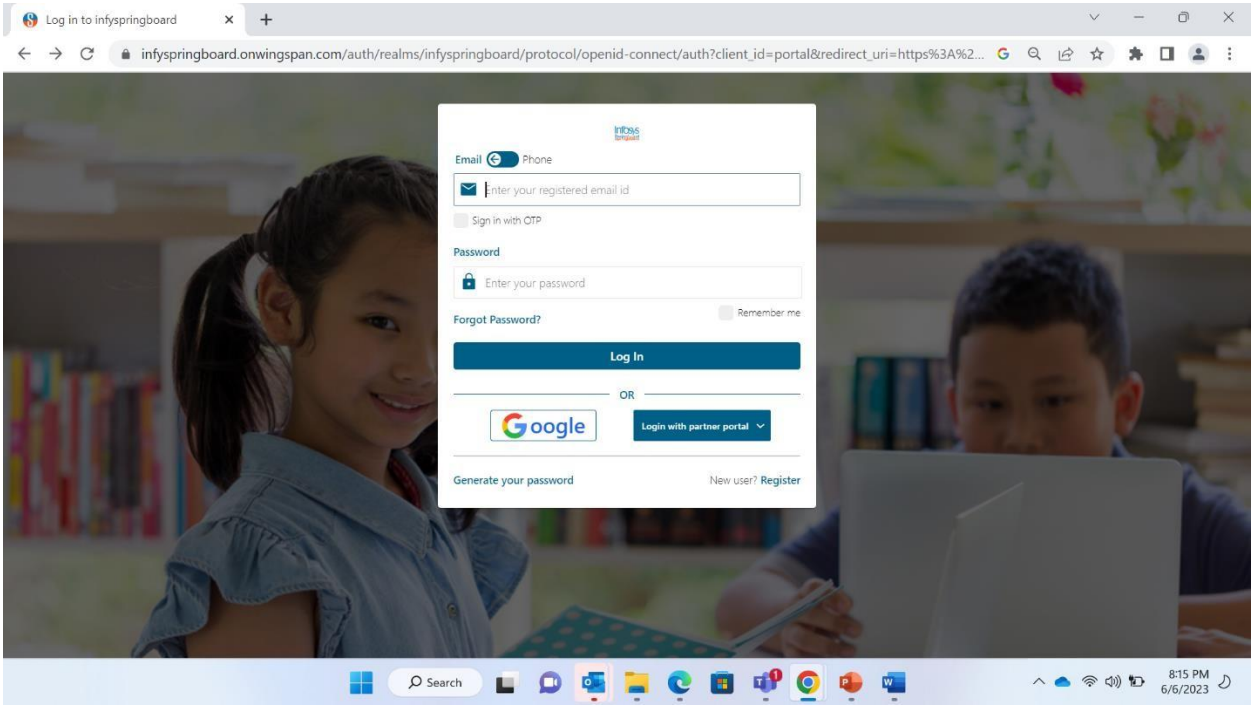
If you didn't receive OTP you can resend OTP after 30s . Enter OTP received and click on "**Next"** option.



After verifying OTP you will see this window click on **“Login”** button.



Once again you will be guided to **login page**.



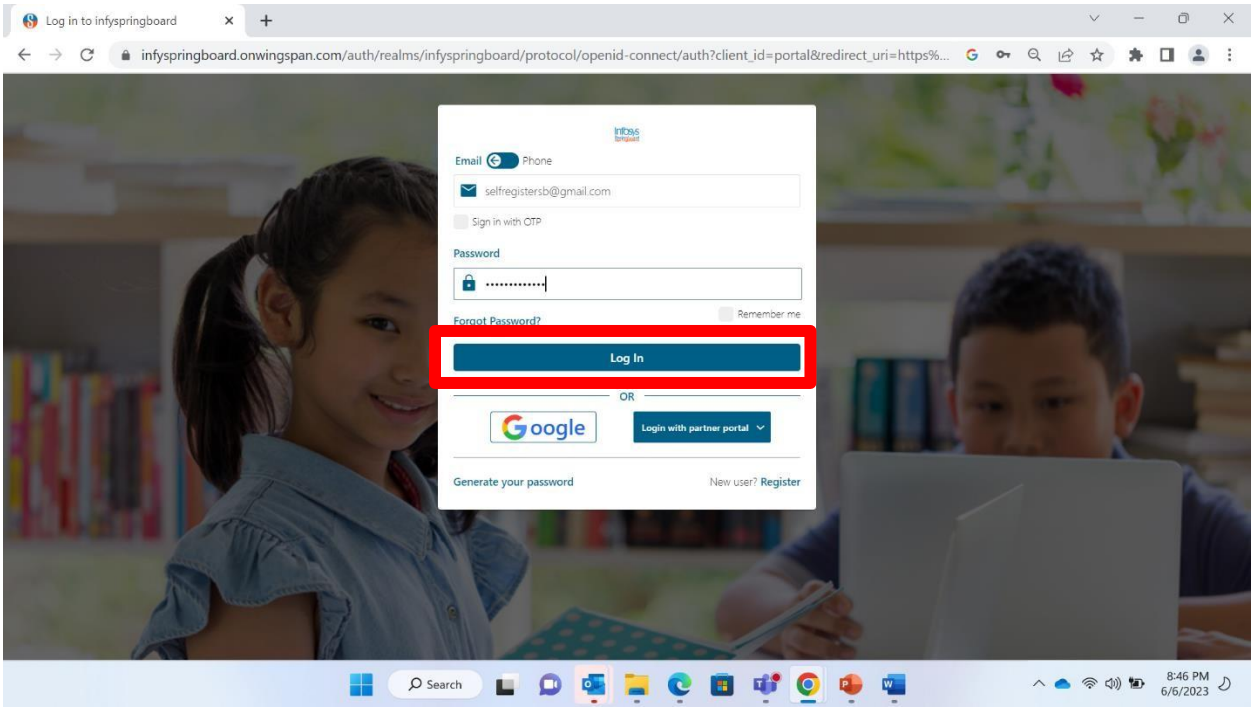
Now you can login using multiple option 3.1.a,3.1.,b or 3.1. c

3.1.a- Using email id & Password

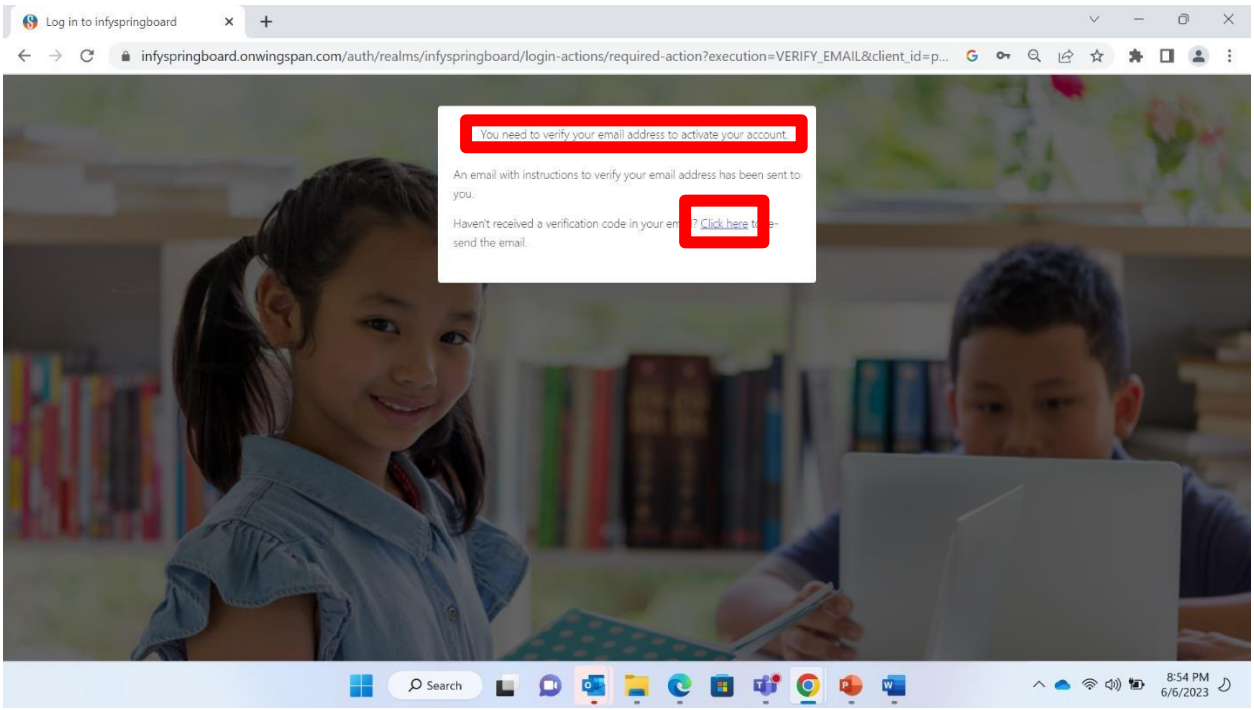
3.1.b- Using Mobile number & Password

3.1.c- Using Mobile number & OTP

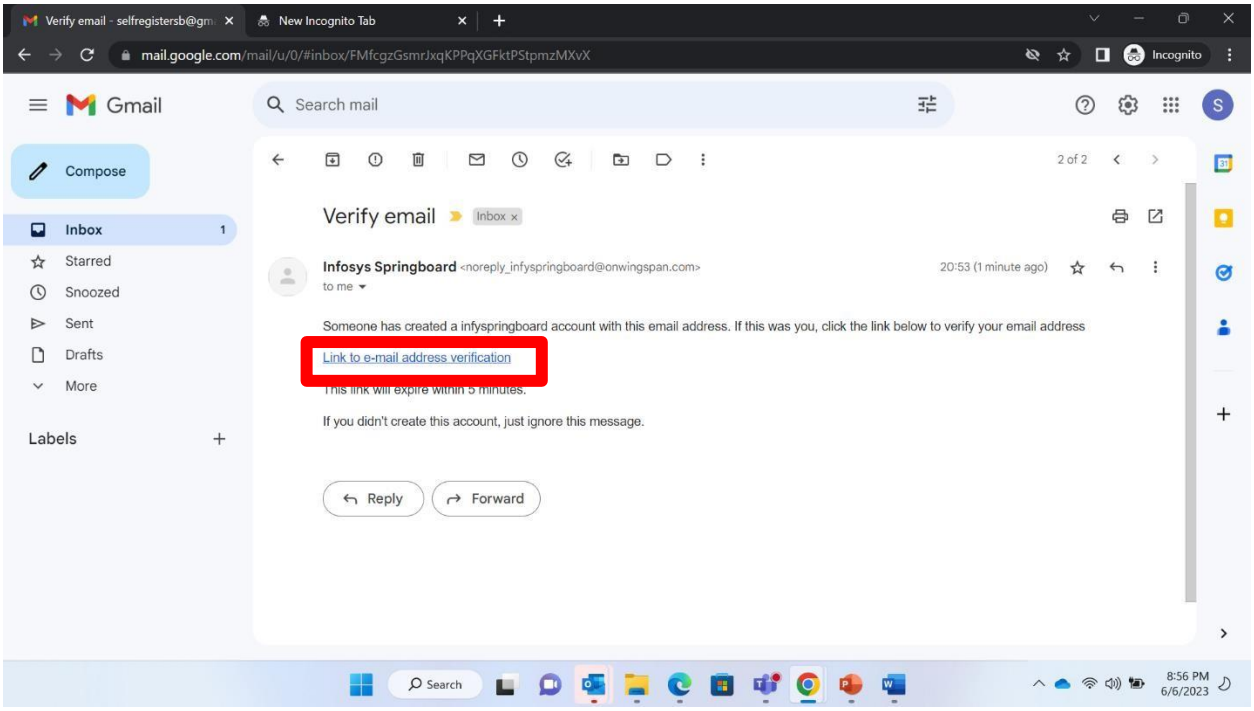
3.1.a-. Enter your registered email id and password then click on “**login”** button



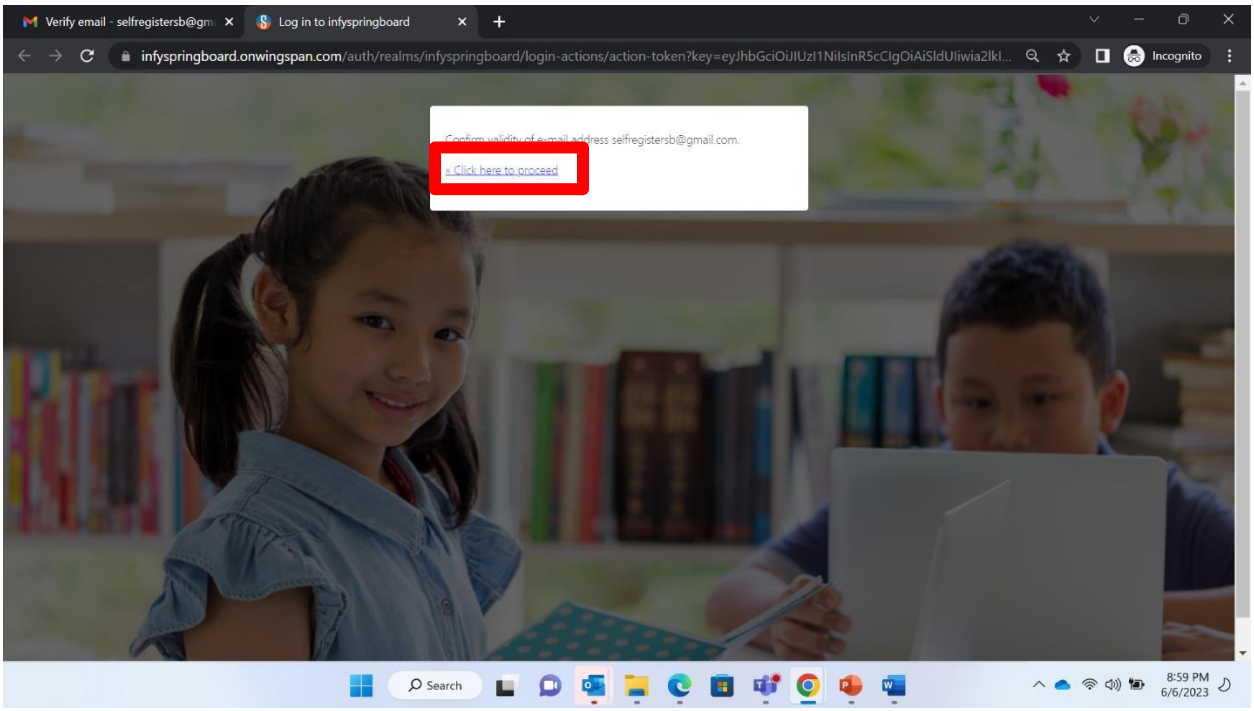
When you choose to login using email id and password you will receive confirmation email on your email. If you don’t receive email click on “**click here”** option to resend the email.



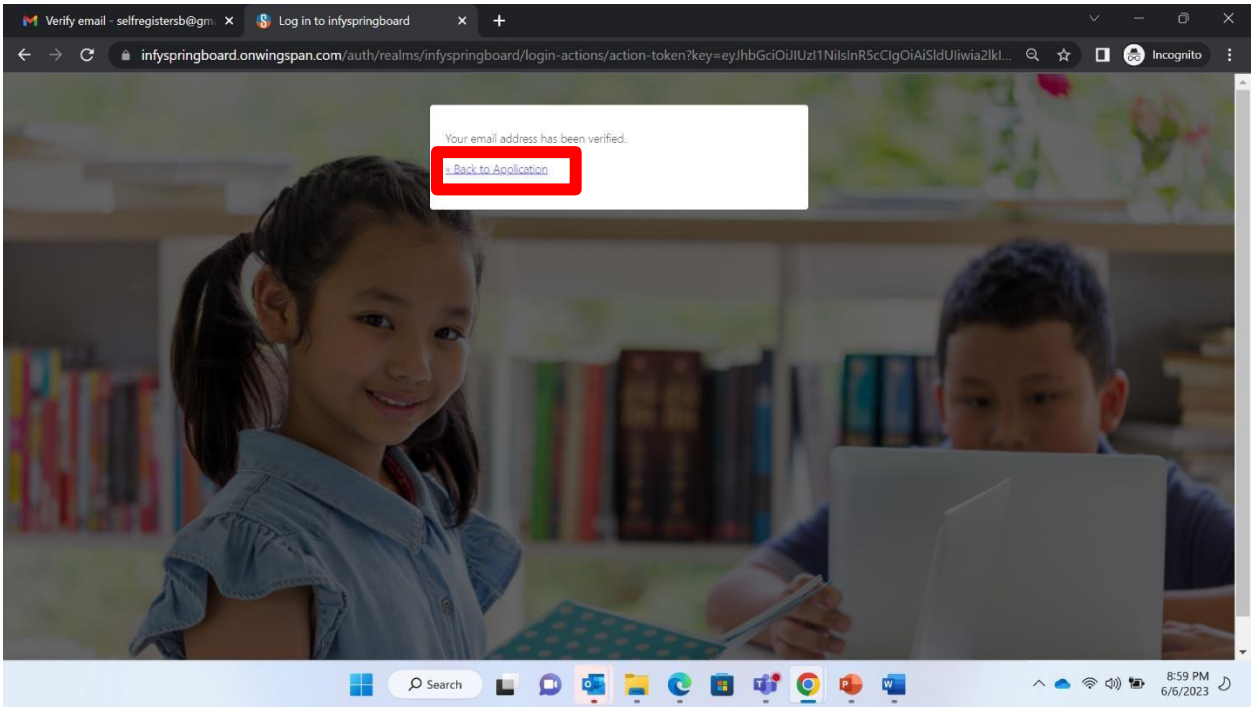
Click on the **link** provided in email.



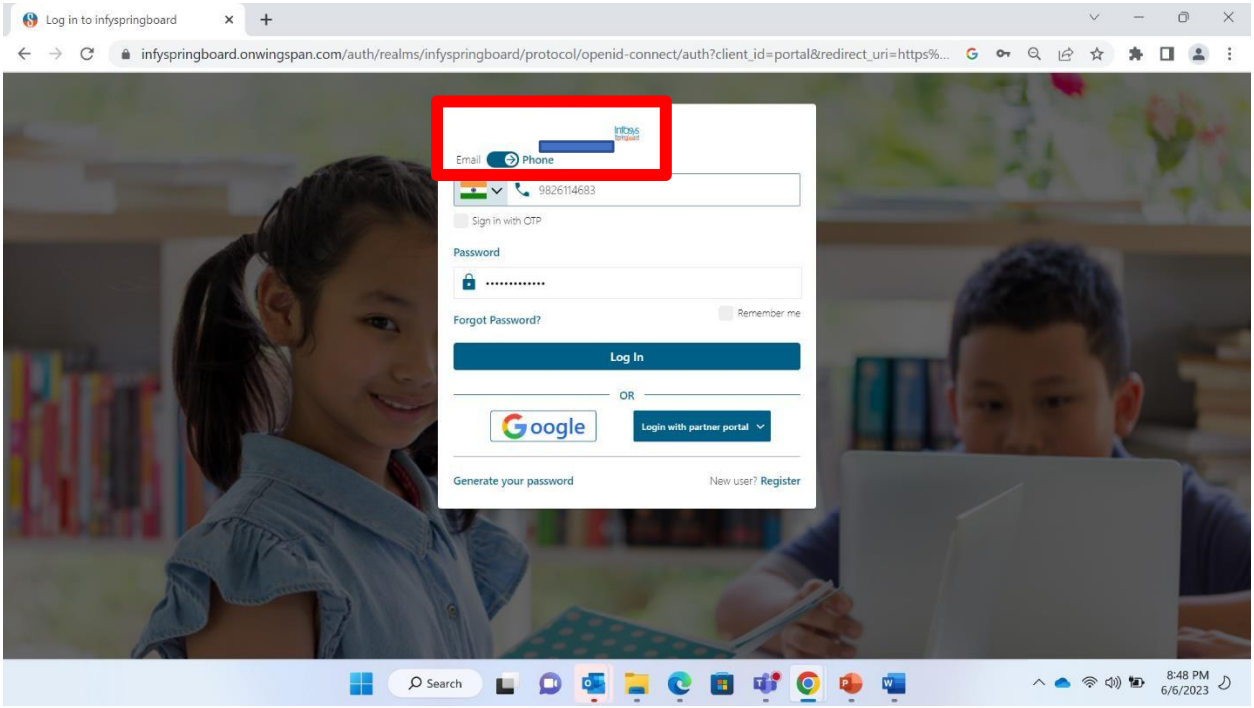
After confirming you will get confirmation message, click on **"click here to proceed"**.



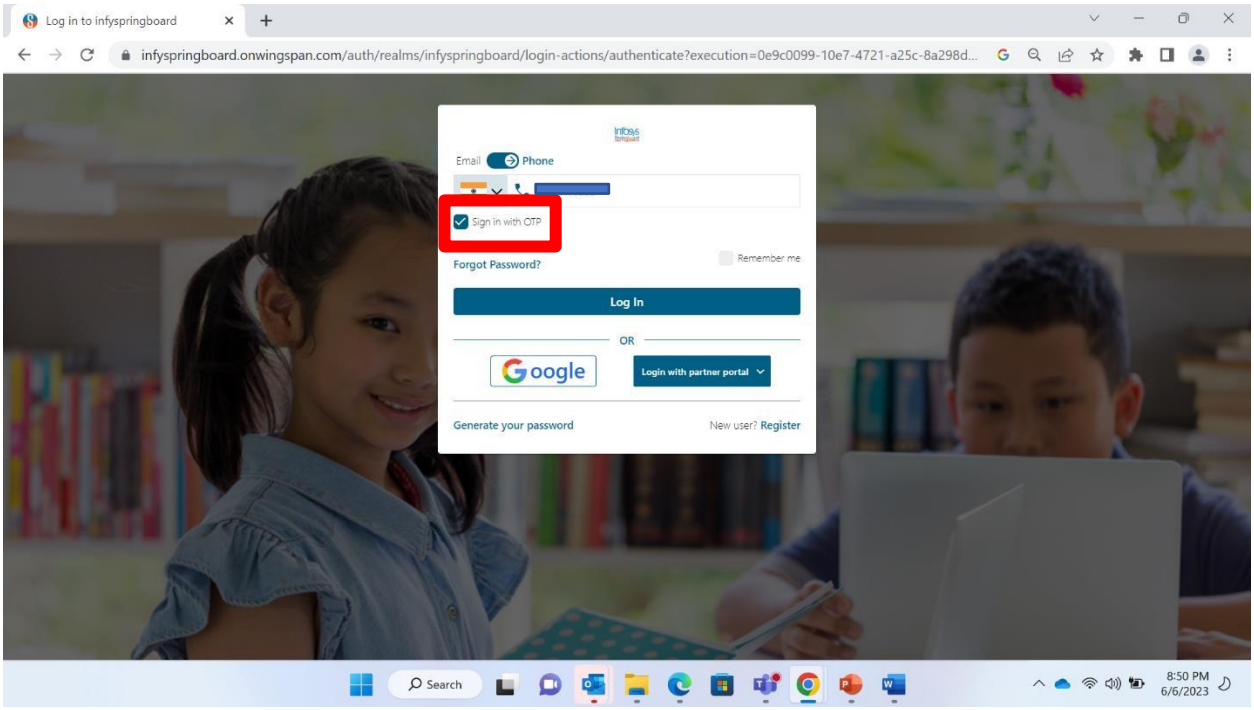
Click on **back to application**



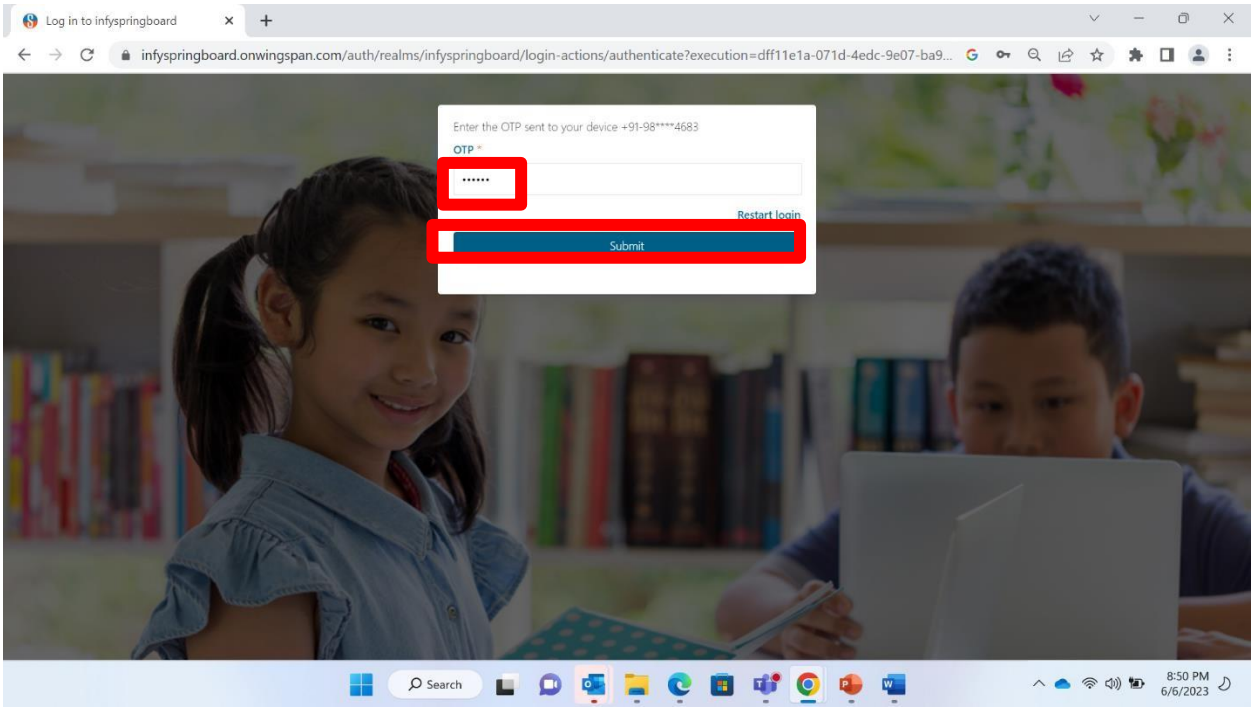
3.1.b- Alternatively you can login using your mobile number and password also.



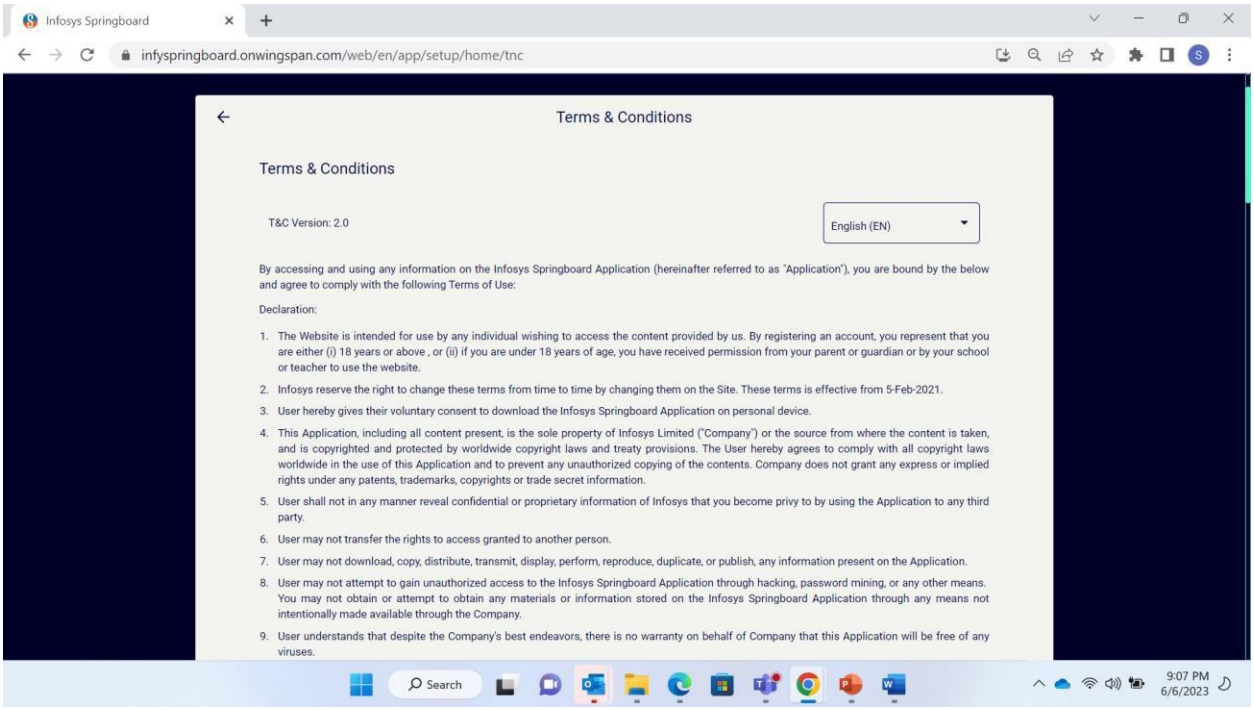
3.1.c.-You can login using **Mobile number and OTP**

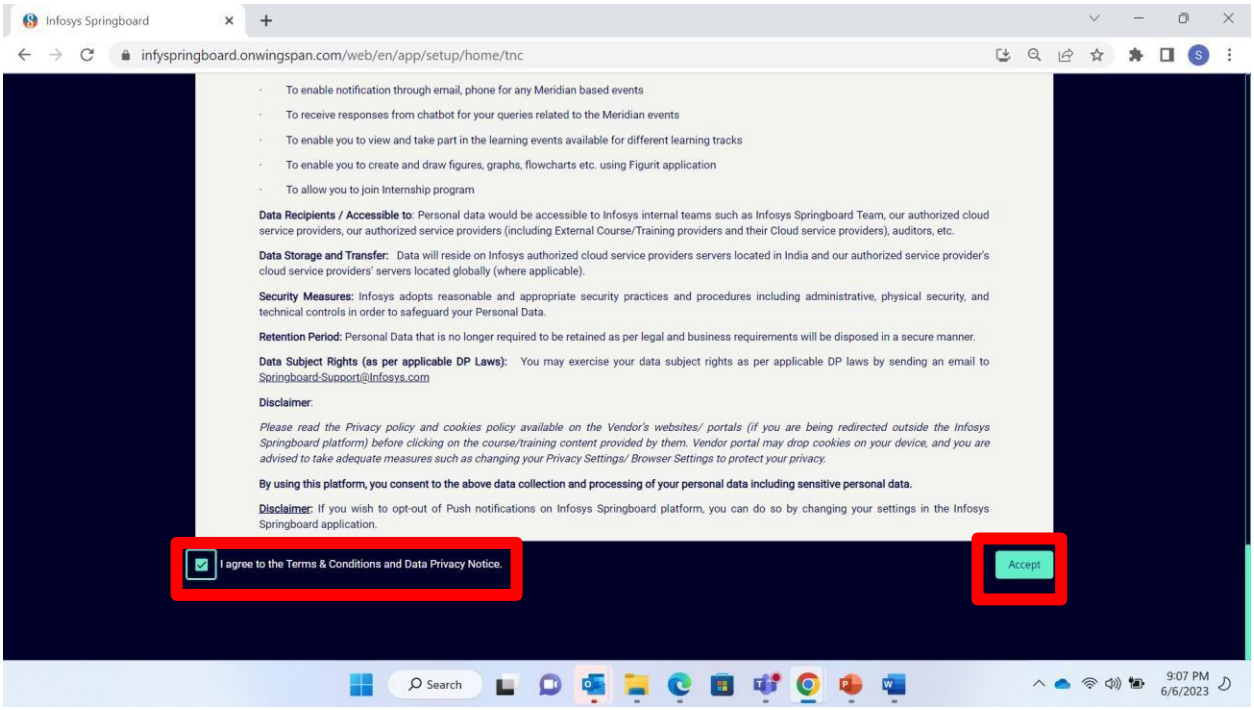


If you choose to login from OTP option, you will receive SMS with OTP on mobile. Enter OTP and click on submit button

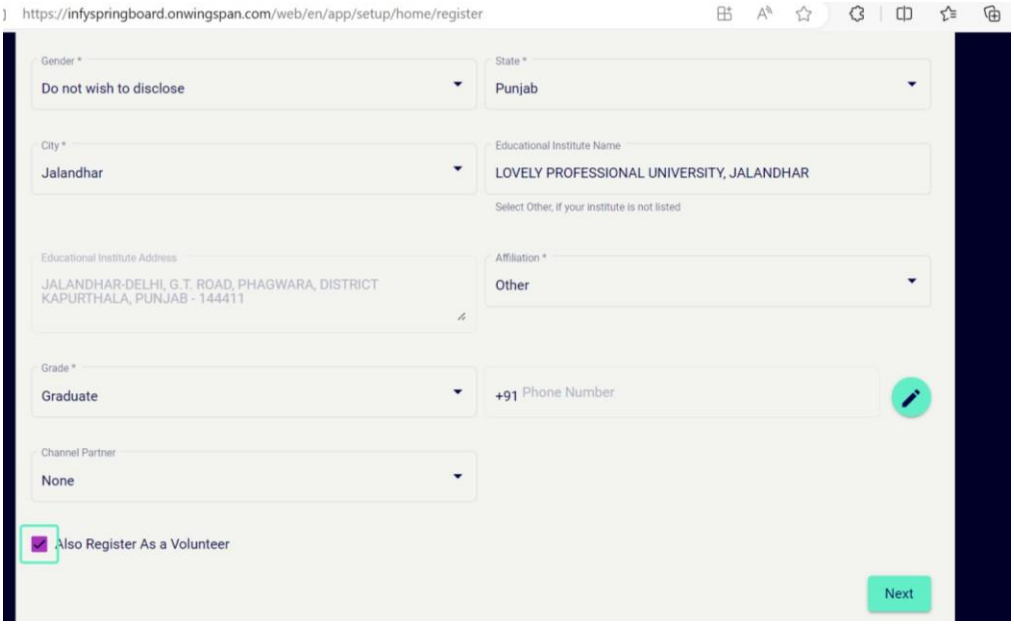


Step 4: Read the terms and conditions on the next page and scroll down to accept them. **Tick the checkbox** provided in the bottom left corner and click on the **"Accept"** button

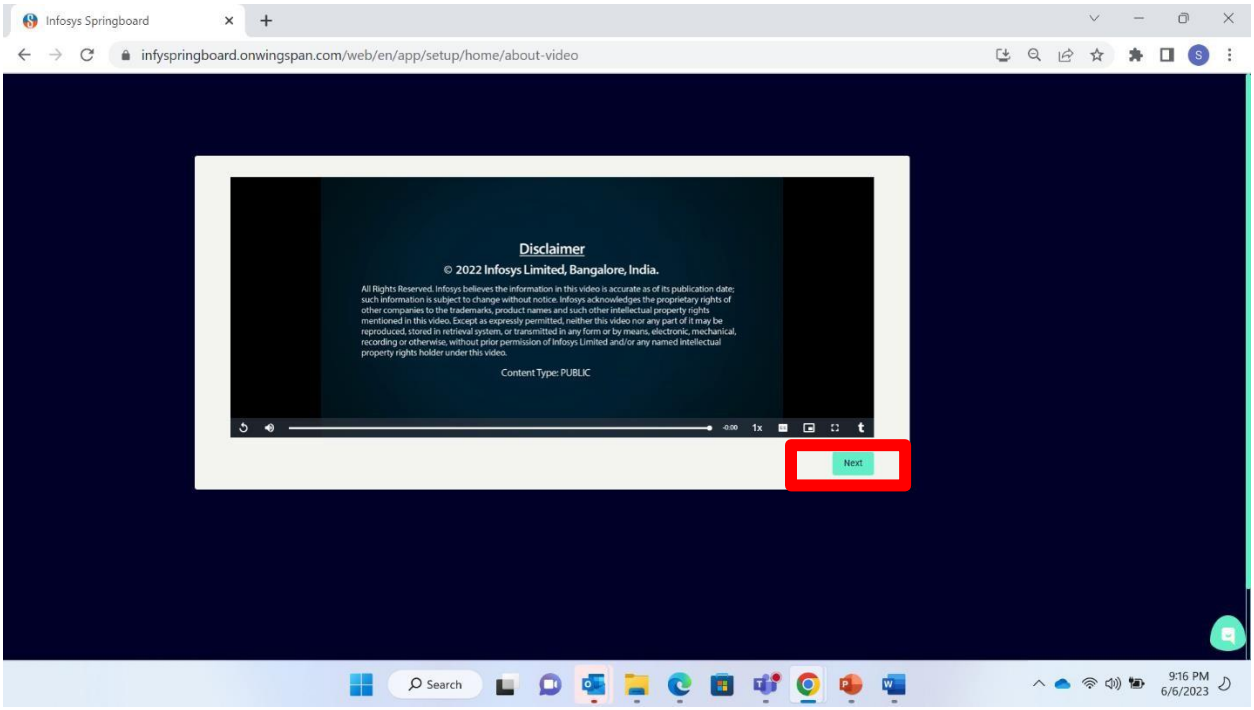




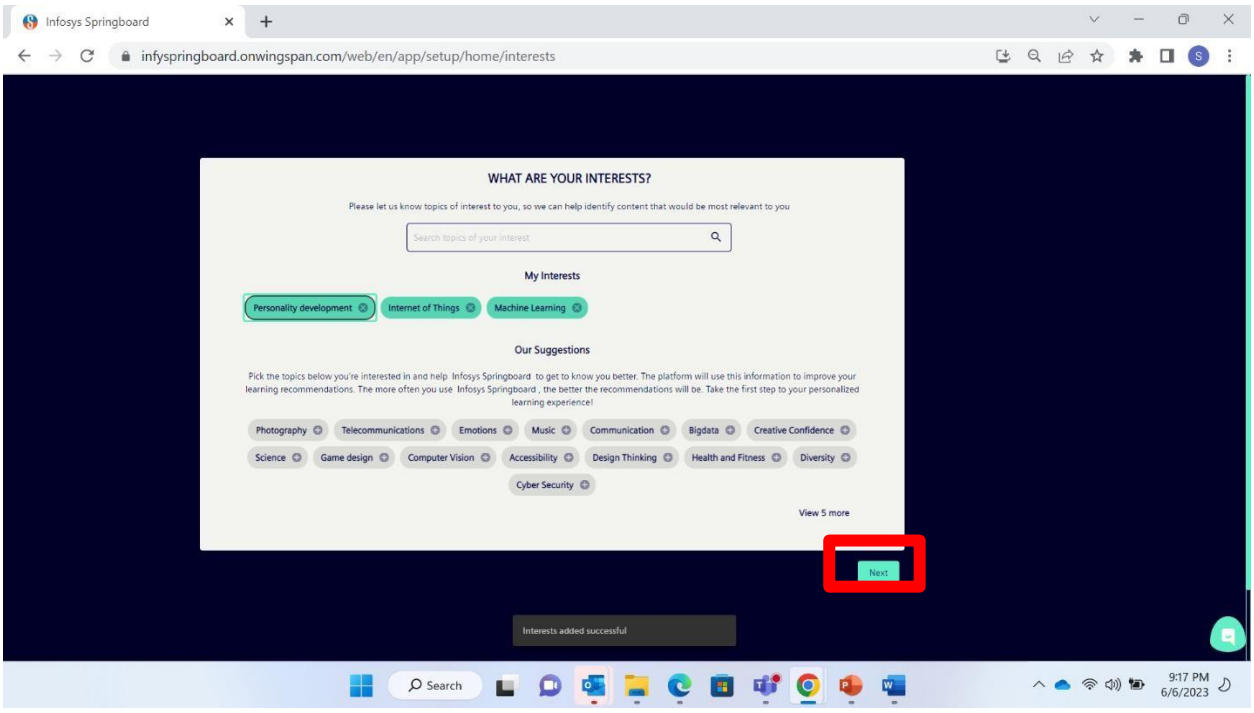
Step 5: Enter required details. Kindly select all details from drop down menu only. Once you enter all the details click on **Next** Button



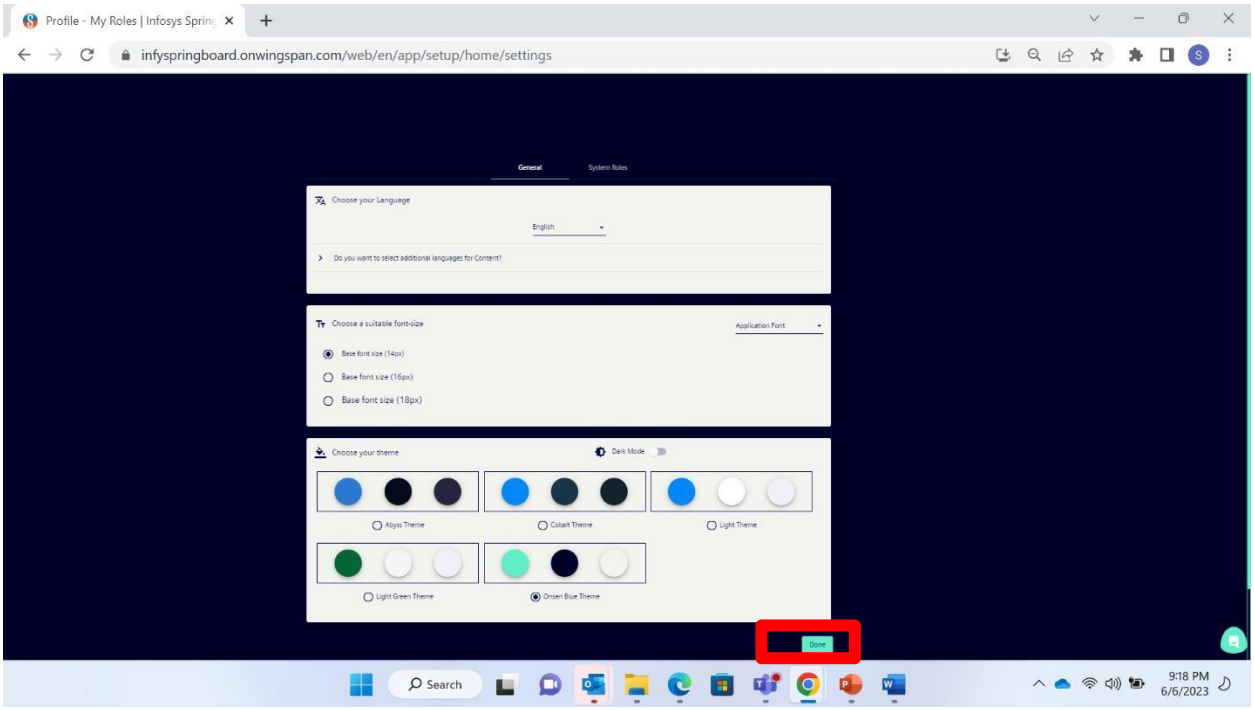
Step 6: On next page a video will appear on Springboard. After watching the video, click on the **"Next"** button.



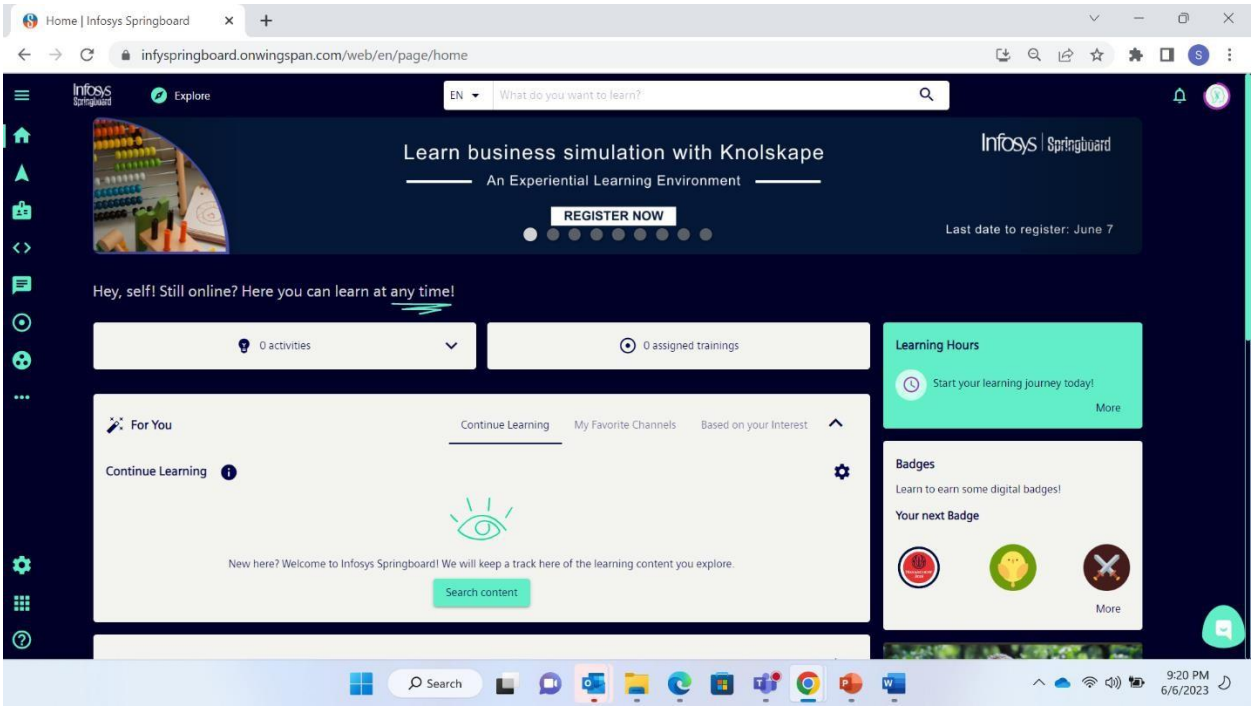
Step 7: Now, select your subjects of interest and click on the **"Next"** button. This will help the system suggest courses related to your interests.



Step 8: One next page you can select theme of your choice then click “**Done”** button



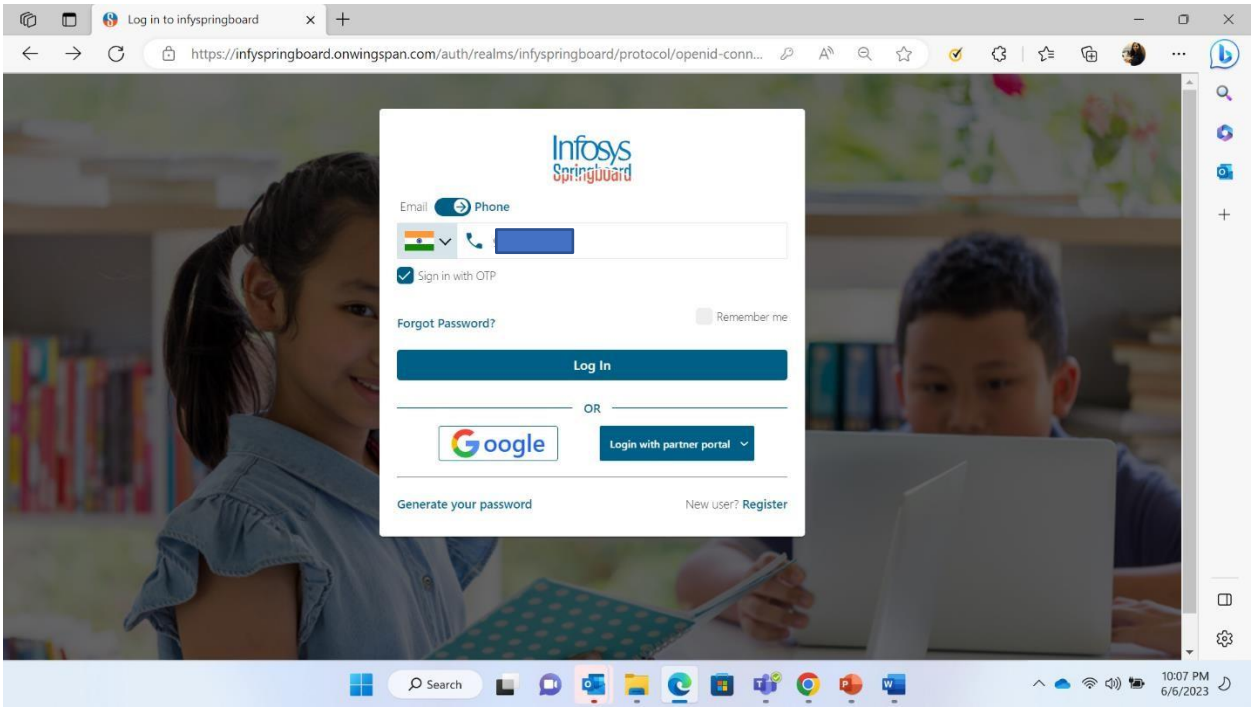
Congratulations!!! You are done. You will now land on to the **Home page**

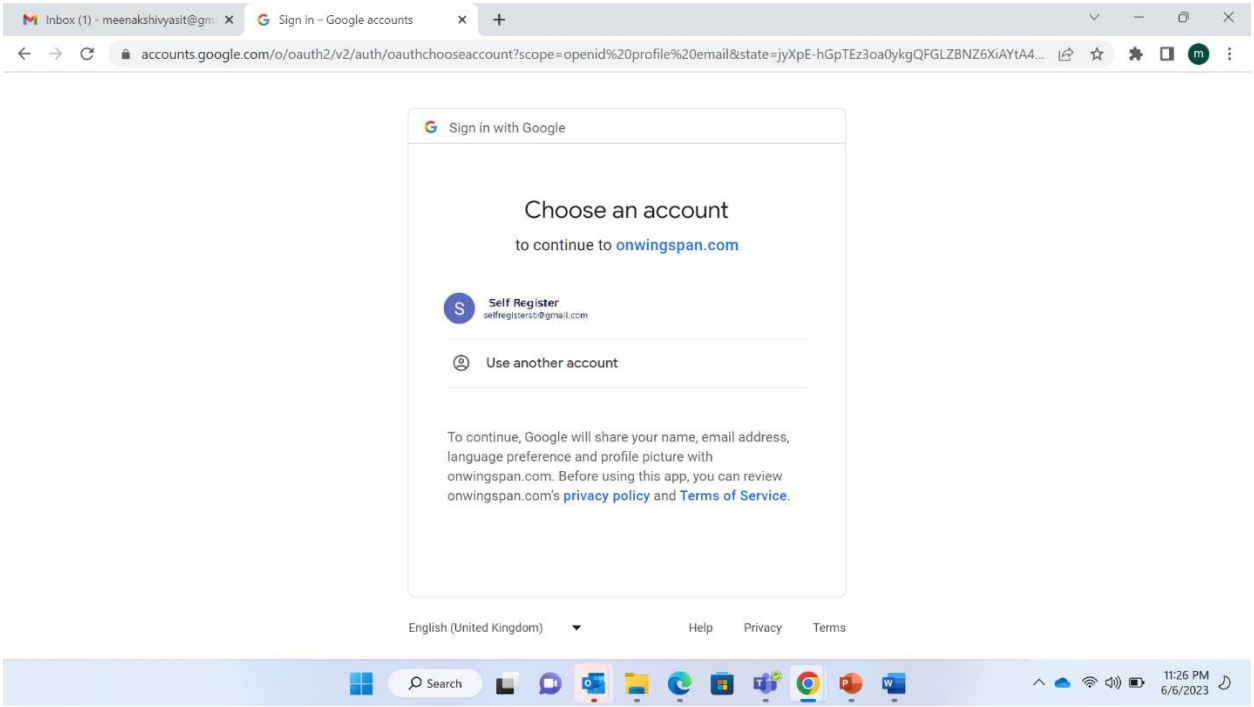


You can start your learning journey from here. All the Best.

3.2 Using your google account

Alternatively you can skip all these steps if you choose to register through **Google** Option. Simple click on **Google** button**.**





Select email id you want to use
